SRM Staging the

STEP 1

ESTABLISH ONSITE INCIDENT COMMAND

The first step in staging for transport is establishing School Incident Command at the affected school. Integrating with Unified Command should be a priority.

Priorities: Student and staff safety and wellbeing
Student and staff whereabouts and condition
Assemble affected school command staff
Integrate with Unified Command
Joint Information Center established

Objectives: Safe transport of students and staff to reunification site

Strategy: The Standard Reunification Method

Tactics: Will be determined by the environment

STEP 2

CLASSROOM EVACUATION

Classrooms are individually evacuated to the Secure Assembly Area. During a Police Led Evacuation, students and staff will be asked to keep their hands visible.

If it is a Police Led Evacuation after a Lockdown, each room will be cleared by Law Enforcement personnel. This process may take up to several hours. Teacher should take attendance in the classroom, prior to evacuation.

SPECIAL NEEDS POPULATIONS

If there is a diverse special needs population, consider evacuating that population last. Once evacuated, this population will demand additional resources.

SRM Actions and

COMMUNITY ACTION PARENTS WILL BEGIN TO ARRIVE

Parents will be arriving at the impacted school. Often with a Lockdown event, adjoining schools will go into Lockout. Parents may be arriving at those schools as well.

REUNIFICATION SITE MOBILIZE REUNIFICATION TEAM

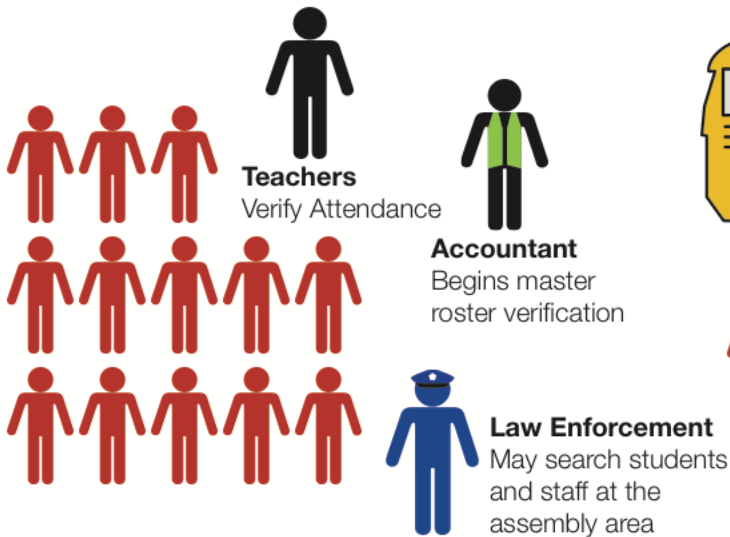

Contacting the Superintendent and determining the Reunification Site are among the first actions taken. If the site is another school, early release may be necessary.

School for Transport

STEP 3 SECURE ASSEMBLY AREA

At the Secure Assembly Area it is preferable that teachers stay with their students. If some teachers are unable to be at the Secure Assembly Area, doubling up classes with "Partner" teachers is appropriate.

STEP 4 STUDENT AND STAFF TRANSPORT

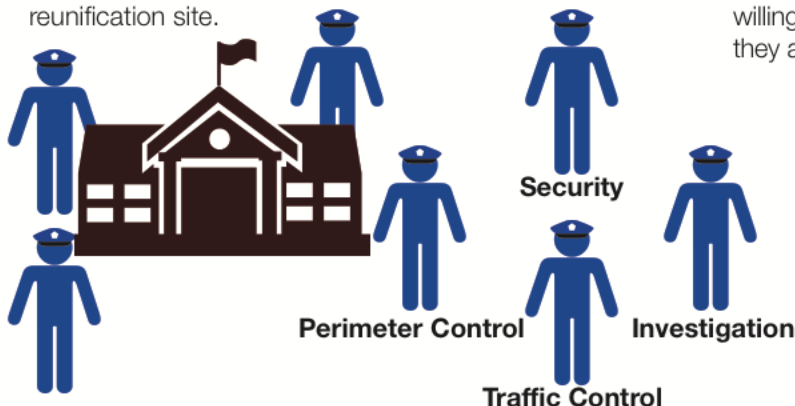

Students and staff board the bus and are transported to the Reunification Site. Buses having audio video systems can be utilized for further accountability by having students face the camera and state their name.

Considerations

LAW ENFORCEMENT SUPPORT AND INVESTIGATIONS

Regardless of criminal activity, law enforcement support will be necessary at both the impacted school and the reunification site.

FIRE AND EMS CASUALTY CARE

If necessary, Fire and EMS will establish Casualty Collection, Triage and Transport areas. Many fire departments are also willing to assist in the transport and reunification process, if they are not actively responding to crisis.
